

# Pregnant?

Protect your baby.

Seek  
prenatal  
care

Attend your  
prenatal  
appointments

Take  
prenatal  
vitamins

Seek help if  
you are using  
any drugs or  
alcohol

Remind your doctor to test you for syphilis at your first appointment, third trimester and at delivery.

We welcome you to our facilities for prenatal care regardless of alcohol and drug use.

Talk to a health care provider for more information about prenatal care.
