

Exhibit 3-41 D
Assessment of Hand Hygiene and Garbing
Responsible Personnel: Designated Person

The responsible person will mark an X after each space for which the person being assessed has acceptably completed the described activity. Mark NA if the activity is not applicable to the assessment or NO if the activity was not observed.

- Presents in clean appropriate attire
- Wears no cosmetic or jewelry upon entry into the ante area
- Brings no food, electronics, or drinks into or stored in the area, areas, or buffer rooms
- Is aware of the clean and dirty sides and observes required activities of the ante area
- Wipes down glasses if worn
- Garbs with low-lint products and cleanses in the following order:
 - Dons shoe cover or designated clean area shoes one at a time, placing the covered or designated shoe on the clean side of the line of demarcation as appropriate
 - Dons beard cover if needed
 - Dons head cover assuring that all hair is covered
 - Dons face mask to cover bridge of nose down to include chin
 - Performs hand hygiene by wetting hands and forearms and washing, using soap and warm, for at least 30 seconds. Does NOT use hand brush or air dryer.
 - Removes debris from underneath fingernails using a nail cleaner under running water
 - Dries hands and forearms using lint-free towel or hand dryer
 - Inspects gown for any holes, tears, or other defects
 - Dons gown and ensures full closure
 - Disinfects hands again using a waterless alcohol-based surgical hand scrub with persistent activity and allows hands to dry thoroughly before donning sterile gloves
 - Dons appropriately sized sterile gloves ensuring that there is a tight fit with no excess glove material at the fingertips
 - Examines gloves ensuring that there are no defects, holes, or tears
- While engaging in sterile compounded activities, routinely disinfects gloves with sterile 70% IPA prior to work in the DCA and after touching items or surfaces that may contaminate gloves
- Removes PPE on the clean side of the ante-area
- Removes gloves and performs hand hygiene
- Removes gown and discards it, or hangs it back on hook to be reused within the same work day
- Removes and discards masks, head cover, and beard cover (if used)
- Removes shoe covers on the dirty side of the line of demarcation
