"I am a Pharmacy Technician at the Whiteriver Indian Hospital. I've been with the pharmacy department for 13 years. I began my journey with pharmacy as their front desk clerk in 2011. I enjoyed assisting our patients at the front window for 3 years. I was promoted to Pharmacy Technician. In June of 2019, I earned my CPhT credential. I receive a lot of support from my peers and I am very grateful for all the encouragement that I have received. The opportunities that have come my way since joining the pharmacy team have been very rewarding!"
